

ADVISING NEWSLETTER
REGISTRATION FOR FALL 2016
Dr. Matthew Bender, SSB 214, bender@tcnj.edu

This guide is designed to help you with planning your major in International Studies. It is divided into two sections. The first contains useful announcements regarding registration. The second explains the courses available in Fall 2016 that fulfill core requirements for the IS major as well as the individual specializations.

ANNOUNCEMENTS

Group Advising

A group advising session will be offered on Wednesday, March 23 from 11-11:50 in Social Sciences Room 223. You are strongly encouraged to attend, particularly if you are a Freshman or Sophomore. The session will discuss the registration process, strategies for how best to fulfill the requirements of the International Studies major, and suggestions for how and when to set up your study abroad experience. Please contact Professor Bender for more information.

Individual Advising

If you would like registration advice, please schedule a meeting with your assigned advisor or Professor Bender. Prior to the meeting:

- run your PAWS Academic Requirements report,
- look at the requirements in the Undergraduate Bulletin (http://www.tcnj.edu/~bulletin/current/International_Studies.pdf), and
- write a draft schedule for the semester.

Consider asking questions about issues beyond the semester, such as study abroad or plans after graduation. For guidance on how to prepare better for your advisement session and plan your academic career, see the “Advising” links on the School of Humanities & Social Sciences website:

<http://hss.pages.tcnj.edu/advising-resources/>

If a course is full or reserved for majors, please ask the instructor if you can have permission to enroll. If you continue to have problems, please contact Professor Bender.

Academic Holds

If you have an advising hold on your PAWS account, please make an appointment with Professor Bender well ahead of your registration date.

Overloading

The standard semester academic load at TCNJ is 4 units per semester. If you wish to take more than 4.5 units, you may do so only once, have a minimum of a 3.3 GPA, have been at TCNJ for at least a full academic semester, and have obtained permission from Professor Bender and the Assistant Dean of Humanities and Social Sciences.

The exception to this rule is if you are enrolled in an Intensive Language. If you are in an intensive section of Arabic, Chinese, Japanese, or Russian, and are not a first-semester Freshman, you may request to take a fifth course. This must be approved by Professor Bender and the Assistant Dean.

A Note about Business Courses

Please take your upper level economics/international business course in the semester immediately after you take ECO 102: Macroeconomics. Since better mathematical skills improve student performance in economics courses, ECO 102 requires one of the following as a prerequisite: MAT 95, 96, 125, 127 or 128.

Study Abroad

A reminder that all International Studies majors are required to study abroad for a minimum of one academic semester. It is essential that you plan this in advance, in order to ensure that you are taking the correct courses and select a study abroad program that is well suited to your studies.

The deadline for Spring 2017 study abroad application is **September 25, 2016**. If you still wish to apply for Fall 2016, please contact the Center for Global Engagement immediately.

Please ask early for letters of recommendation. Professor Bender can assist with filling out your Academic Evaluation form – please bring printed descriptions of the course you want to take while abroad.

Languages Across the Curriculum

Many courses on this list can be complimented with Languages Across the Curriculum credit. This is a one-quarter unit independent study whereby those students who have intermediate level proficiency in another language complement work in a course by utilizing their language skills. Students must enroll before the add/drop deadline. Please visit the LAC website at <http://internationalstudies.pages.tcnj.edu/student-resources/languages/> or contact Dr. Compte for more information (dcompte@tcnj.edu).

Summer Term Courses

The following courses fulfill various requirements for International Studies majors and are being offered in the upcoming Summer Term. If you are interested, please contact the instructor or Dr. Bender to learn more.

Before enrolling, be sure to confirm on PAWS that the course fulfills a requirement for your specialization.

ANT 315: Ethnicity, Race, and Nation (Shakow)
ANT 345: Politics of Climate Change (Shakow)
ECO 102: Introduction to Macroeconomics (Samanta)
HIS 351/AAS207: Ancient/Medieval Africa (Bender)

Requirements for the Major

Twelve total course units are required for the International Studies major. Each student completes five courses as part of the major core and seven courses in an area of specialization. The courses for the specializations are drawn from across the Humanities and Social Sciences as well as the School of Business. **Only one course at the 100-level may be counted toward a specialization.**

The Major's Core Requirements include:

INT 200: International Studies – Processes, Themes, and Issues
ECO 102: Principles of Macroeconomics
INT 498: Senior Seminar
2 units of a Foreign Language at the 200-level or above, relevant to the chosen specialization

The Specialization Options include:

Diplomacy
International Trade and Economics

Global Health, Development, and Environment
Asian Studies
African Studies
Chinese Studies
European Studies
Latin American and Caribbean Studies
Middle Eastern Studies

Study abroad is an important component of the major. Students are required to demonstrate at least one semester of successful academic achievement in a foreign university relevant to their field of study. A full year of study abroad is encouraged. Successful study abroad is defined as passing at least three classes for a minimum of 2.25 TCNJ units. Please consult your International Studies advisor and the [Center for Global Engagement](#) for the most suitable site and program.

Program Entrance, Retention, and Exit Standards

Every major program at the College has set standards for allowing students to remain in that program, to transfer within the College from one program to another, and to graduate from a program. The following are the standards for international studies:

- Retention in the program is based on the following performance standards in these “critical content courses”: a grade of B- in a 200-level language course and in INT 200 International Studies: Processes, Themes, Issues.

- Transfer into the program from another program within the College is based upon the following performance standards in this “foundation course”: a grade of B- in the first language course taken.
- Graduation requires a GPA of 2.0 in courses for the program and a minimum grade of B- in a 200-level language course and in INT 200 International Studies: Processes, Themes, Issues.

Suggested Four-Year Sequence for International Studies Majors

The following sequence is a suggestion only; students should craft a schedule to best meet their own needs. Note that “double counting” rules and the nine general elective courses allow students to pursue a second major and/or minors.

First Year

FSP: First Seminar	1 course unit
Foreign Language*	2 course units
INT 200: International Studies: Processes, Themes and Issues	1 course unit
WRI 102: Academic Writing (if not exempted)**	1 course unit
Arts/Humanities course	1 course unit
Quantitative Reasoning course	1 course unit
ECO 102: Principles of Macroeconomics	1 course unit

** Arabic 151 and 152, Chinese 151 and 152, Japanese 151 and 152, and Russian 151 and 152 are intensive courses and carry two course units of credit each. Students should take this into account when planning a normal four-course semester.*

***Students exempted from WRI 102 should take a liberal learning course*

Second Year

Courses for specialization	3 course units
Language*	2 course units
Arts/Humanities course	1 course unit
Natural Science/Quantative Reasoning course	1 course unit
General elective	1 course unit
