HSS OVERLOAD

Overload Requirements:

- Humanities and Social Sciences majors – who have earned 8 units at the college and maintain a 3.3 cumulative GPA may request an overload for more than 4.5 course units but no more than 5 course units. Students who are seeking an overload should first discuss this with their faculty advisor or department chair. The advisor and/or department chair should inquire as to why they are requesting the overload, review their academic record, and determine the likelihood of a successful semester with such an overload. If approved, students should complete the overload request form and have the department chair sign the form. Please click link at bottom of page 9 to be redirected to the form.
- If you are applying for Independent Study or Internship and need Overload permission, you should submit your Overload application using the HSS Independent Study and Internship Application Portal (below) where you will upload both your Overload form and your Independent Study or Internship Application. The Associate Dean will review it and sign the form and grant overload.
- The Associate Dean will review paperwork.
