"Women belong in all places where all decisions are being made. It shouldn't be that women are the exception."
Ruth Bader Ginsburg

"Injustice anywhere is a threat to justice everywhere."
-Rev. Dr. Martin Luther King Jr.
The department has a dynamic internship program for majors and minors. The program matches each student’s internship interest with a field placement. The program is academically rigorous since, in addition to the work-site activities as an intern, students are required to complete a challenging research report on which they are graded. Internships offer an excellent opportunity for students to gain practical experience, explore interests in particular fields and make contacts in the field. Some of the agencies students have interned with have included:

**Centurian Ministries** - **The Trenton Violence Reduction Strategy** - **The Trenton Prevention Policy Board** - **Help Not Handcuffs** - **Centurion** - **Womanspace** - **Mercer County Prosecutor’s Office** - **Mercer County Sheriff’s Office** - **New Jersey State Police** - **New Jersey Office of Homeland Security and Preparedness** - **New Jersey State Parole Board** - **United States Drug Enforcement Administration** - **United States Marshals Service** - **New Jersey Division of Criminal Justice** - **New Jersey Juvenile Justice Commission** - **Municipal Police Departments** - **Municipal Court Administration** - **County Prosecutor’s Offices** - **County Probation Offices**

**Independent Study**

The Department of Criminology offers its students the opportunity to take part in independent study with a Criminology professor. The student must schedule a meeting with the faculty member to discuss the potential independent study, and submit a typewritten proposal of the independent study to the faculty member.
Independent Study Continued

It is also required to complete the independent study form. The form is to be printed, signed by both the professor and the student, and submitted to the Criminology main office for the chairperson’s review.

Overload Policy

The normal course load for HSS majors is 4 units but students may take up to 4.5 units without permission. Students who have earned 8 units at the college and maintain a 3.3 cumulative TCNJ GPA may request an overload for a maximum of 5 course units in any one semester. There is no maximum limit to the number of overload semesters.

- You should complete the online Overload Interest Form found at: https://hss.tcnj.edu/resources/current-students/forms/
- Completing the form will automatically generate an email that will be sent to your Department Chair, who will reach out to you for advising. They may ask you why you are requesting the overload, review your academic record, and talk to you about the advantages and disadvantages of overloading given your proposed coursework. The Department Chair will communicate directly with the Associate Dean. She will then correspond with you about your overload request.
